Juli M. Porto handles a wide range of appellate civil matters in the Court of Appeals of Virginia and Supreme Court of Virginia.

In addition to bringing and defending appeals, she consults with trial attorneys to develop legal theories of recovery and draft complaints, brief and argue dispositive and post-trial motions, and monitor trials in preparation for defending or prosecuting an appeal. Juli is a member of the Virginia Bar Association's Appellate Section Council and the Virginia Trial Lawyers Association's Amicus Committee. She has published articles in The Virginia Trial Lawyers Association Journal, VTLAppeal, and Law360 and regularly teaches continuing legal education courses in appellate law to other attorneys across the state.

At the trial level, Juli devotes her practice to personal injury matters with complex liability issues. She has been honored for her legal accomplishments by several organizations and is regularly ranked as a top attorney by Super Lawyers, Best Lawyers, Arlington magazine, Virginia Business magazine, and the Washingtonian.

As an undergraduate, she was a Distinguished Cadet at the United States Military Academy at West Point, and after an honorable discharge from the U.S. Army, graduated as an Honors Scholar from New York University.

Personal Injury

- Working with co-counsel, secured a \$9,000,000 settlement for the families of three students who tragically lost their lives and two survivors of the November 2022 University of Virginia shooting, to achieve justice and advocate for reforms to improve campus safety and prevent future gun violence.
- Secured a \$5,075,000 settlement for a client who suffered paraplegia after a rear-end collision caused their truck's seatback to collapse, propelling their head into the rear compartment.
- Secured a \$3,000,000 settlement for an engineer who sustained multiple fractures and underwent several surgeries following a head-on collision.
- Achieved a \$2,325,000 settlement for a woman who suffered permanent leg injuries and life-altering consequences in a broadside collision, highlighting the importance of thorough case preparation, including a "day in the life" video and a life care plan.
- Secured a \$3,250,000 settlement for the estate of a 16-year-old boy who tragically lost his life in a construction trench collapse, holding the construction company, its manager, and the property owner accountable for negligence and unsafe conditions.
- Secured a \$2,850,000 settlement for a young woman who suffered burns to her face, neck, and torso from a defective pressure cooker and her husband's loss of consortium claim, demonstrating that a manufacturing defect in the locking mechanism caused the explosion despite the defendants' claims of user error.
- Achieved a \$1,100,000 settlement for a lifelong athlete and father who suffered permanent knee injuries requiring multiple surgeries after a collision with a tractor-trailer on Interstate 66; successfully demonstrated the connection between his injuries and the initial crash despite defense challenges.

- Secured a \$1,100,00 settlement for an 8-year-old child permanently injured after being struck by a package delivery driver who veered to the wrong side of the street, causing significant damage to the child's knee and long-term physical and emotional challenges.
- Secured a \$1,475,000 settlement for a client with rheumatoid arthritis who fractured his elbow after tripping over a displaced cement slab in an outdoor retail courtyard, a condition found to violate the Virginia Uniform Statewide Building Code.
